

## GISHWATI FOREST – RESEARCH BIBLIOGRAPHY

Banamwama, M. 2008. *Contribution à l'étude de la dynamique de la végétation et priorités d'aménagement et de gestion de la réserve forestière de Gishwati*. Unpublished dissertation for Bachelor's Degree, National University of Rwanda (NUR).

Barakabuye, N. 2005. *Economic importance and attitudes of local communities towards biodiversity conservation in Gishwati Natural Forest*. Unpublished dissertation for Bachelor's Degree, Makerere University.

Blondel, N. 2005. *Biodiversity survey in Gishwati Forest*. Unpublished report to the Wildlife Conservation Society.

Chancellor, R., Rundus, A., Nyiratuza, M., Nyandwi, S., & Aimable, T. (2021). Community-based conservation and chimpanzee research in Gishwati forest, Rwanda. *American Journal of Primatology*, 83(4), e23195.

Chancellor, R. L., Rundus, A. S., & Nyandwi, S. (2017). Chimpanzee seed dispersal in a montane forest fragment in Rwanda. *American Journal of Primatology*, 79(3), e22624

Chancellor, RL., Langergraber, K., Ramirez, S., Rundus, AS. & Vigilant, L. 2012. *Genetic Sampling of Unhabituated Chimpanzees (Pan troglodytes schweinfurthii) in Gishwati Forest Reserve, an Isolated Forest Fragment in Western Rwanda*. *International Journal of Primatology* 33: 479-488.

Chancellor, RL., Rundus, AS. & Nyandwi, S. 2012. *The Influence of Seasonal Variation on Chimpanzee (Pan troglodytes schweinfurthii) Fallback Food Consumption, Nest Group Size, and Habitat Use in Gishwati, a Montane Rain Forest Fragment in Rwanda*. *International Journal of Primatology* 33: 115-133.

Dawson, N. 2013. *An assessment of multidimensional wellbeing in rural Rwanda: impacts of and implications for rural development and natural resource conservation*. Doctoral thesis, University of East Anglia.

Gishwati Area Conservation Programme. 2010. *A survey of tourists about the potentiality of launching ecotourism activities in the Gishwati Forest Reserve*. Unpublished internal report, Great Ape Trust.

Gishwati Area Conservation Programme. 2010. *Forest of Hope Guidebook*. Self-published pamphlet, GACP.

Gishwati Area Conservation Programme. 2010. *Proposal for a pilot ecotourism program, Gishwati National Conservation Park*. Unpublished internal report, Great Ape Trust.

Gishwati Area Conservation Programme. 2011. *Gishwati Ecovisitation Programme - policies and protocols*. Unpublished internal guidelines, Great Ape Trust.

Harerimana, E. 2011. *Impact of community engagement on conservation of Gishwati Forest Reserve*. Unpublished dissertation for Bachelor's degree, Kigali Institute of Education (KIE).

Mc Guinness, S. & Taylor, D. 2014. *Farmers' Perceptions and Actions to Decrease Crop Raiding by Forest-Dwelling Primates Around a Rwandan Forest Fragment*. *Human Dimensions of Wildlife* 19: 179-190.

Mfitumukiza, JM. 2010. *A comparative study of habitat requirement, distribution and population density of Blue-headed (Cyanomitra alinae) and Purple-breasted (Nectarinia purpureiventris) sunbirds in Gishwati Forest Reserve*. Unpublished dissertation for Bachelor's Degree, National University of Rwanda (NUR).

Muhire, I., Manirakiza, V., Nsanganwimana, F., Nyiratuza, M., Inzirayineza, T. A., & Uworwabayeho, A. (2021). The environmental impacts of mining on Gishwati Protected Reserve in Rwanda. *Environmental Monitoring and Assessment*, 193, 1-24.

Mukashema, A. 2007. *Mapping and modeling landscape-based soil change in relation to human induction. Case study: Gishwati watershed of the Rwandan highlands*. Unpublished Master's thesis, International institute for Geo-information Science and Earth Observation, Netherlands.

Muvunankiko, G. 2010. *Ecology, distribution and habitat requirement of Turacos' population in Gishwati Forest Reserve, Rwanda*. Unpublished dissertation for Bachelor's degree, National University of Rwanda (NUR).

Nsabagasani, C. & Nsengimana, SJ. 2009. *Assessment of the current status of endemic bird species to the Albertine Rift in Gishwati Forest Reserve, Rwanda*. Unpublished report to ARCOS / Great Ape Trust / GACP.

Nsabimana, E. & Spencer, J.P. 2013. *The potential for eco-tourism in the Gishwati Forest Reserve: An alternative use of the forest for economic upliftment of local communities*. *African Journal for Physical, Health Education, Recreation and Dance*, 19(4:2), 1086-1099.

Nyandwi, S. 2008. *Impact des activites humaines sur la distribution des nids des chimpanzees (Pan troglodytes schweinfurthii) de la Foret de Gishwati, Rwanda*. Unpublished dissertation for Bachelor's degree, National University of Rwanda (NUR).

Nyandwi, S., Rundus, AS., & Chancellor, RL. *In prep. The Influence of Seasonal Variation and Anthropogenic Activities on Chimpanzee (Pan troglodytes schweinfurthii) Nesting Behavior in Gishwati National Park, Rwanda*. Master's thesis, West Chester University of Pennsylvania, United States of America

Nyandwi, E. & Mukashema, A. 2011. *Excessive deforestation of Gishwati Mountainous Forest and biodiversity changes*. Participatory Geographic Information Systems (P-GIS) for natural resource management and food security in Africa: ict4d article.
